Sir:

In response to the U.S. Patent Office Notification mailed February 11, 2011 (the “Notification”) regarding the non-compliance of the Sequence Listing currently on file Applicants respectfully request that the above-identified application be amended as provided herewith prior to examination. This communication is filed within one-month of the mailing dated of said. Accordingly, this communication is timely filed.

Amendments to the Specification begin on page 2 of this communication.

Remarks begin on page 3 of this communication.
